

Manatee High School “Blaze the Trail” Trailer Sponsorship

On behalf of the Band program of Manatee High School, I would like to say thank you for taking the time to consider sponsoring the “Blaze the trail” trailer sponsorship drive.

Since it first brought music to Manatee County, the Manatee High Band program over the years has brought energy and excitement for Manatee High School and our surrounding community. This brand of excellence has created an abundance of opportunity for students within the program to grow as musicians and as role models. This “Blaze the trail” movement will provide each student the opportunity as musician to obtain many qualities that will give them success throughout their time as a member of the Manatee High Bands. During their four years within the program, our members will have many life experiences that will help them to be successful at anything they decide to do in life.

As a program, our educational philosophy is simple: “To become the best we strive for the best.” “We”, being the faculty and boosters. Our goals as the Manatee High School Band is to provide the best environment for learning and giving each band member the opportunity to be their best. Our definition of music education extends well beyond the classroom and community that we live in, creating a welcoming environment for learning and growth. The possibilities for growth are endless and we constantly strive to bring these opportunities to each member.

Part of the growth process for our program is the want evaluate and improve our organization. We are a proud to support our community and each other! With this we are undertaking a huge step to take our program to the next level. Our goal is to purchase a 26’ Trailer which can be used to transport equipment to football games, performances, and competitions. This trailer will be equipped to transport all instruments and equipment. We will get a custom “wrap” for the trailer promoting Manatee County and the Manatee High School Band. While each student has financial obligation to the program, we are asking for your help, our community and supporters, for assistance to give each member the chance to “Blaze the trail”. Please visit www.manateehighbands.com for additional information on how to be involved.

Thank you for your time and cooperation.

Sincerely,

John Schindler

Manatee High School Band Director

MHS Band Trailer Fundraiser
